

Sales Commissions benefit BCHA

Earlier this year BCHA joined the affiliate program with TABcom and have been receiving commissions on purchases you as members have made at Horse.com, State Line Tack.com, and Dog.com. They have generously increase their commissions and even more money will be returned to BCHA.

IMPORTANT: You must use the link on the BCHA Website (www.backcountryhorse.com) for BCHA to receive the funds. (Horse.com is Country Supply)

Check out what they have to offer. Christmas is just around the corner and the increase commissions are good to the end of the year. Help support BCHA!

Thanks.
